

ST MARY'S EASTER WORKSHOP

EASTER HOME SCAVENGER HUNT

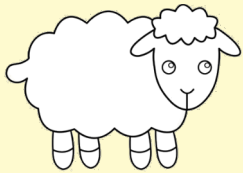

Cut out your scavenger hunt clues and hide them in the appropriate place around your house for the children to follow the trail!!

I have two hands, no arms and a face. I can tell you how fast you ran a race

I have four legs but have no feet. Come and sit here while you eat

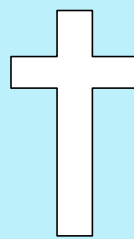

I keep your food cold, even when days are hot. Without me, ice cream would be forgot...

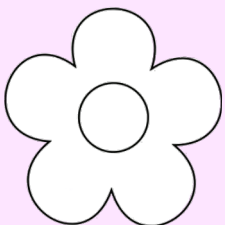

I rain on you when you need a scrub. If you don't have me find my friend the tub.

I have lots of channels starting at one. But, don't turn me on until homework is done!!

When the sun has set and your eyes feel like lead, you'll find me here because it's time for.....

You can find me in a frame but I am not a picture
